Wattle 6 Waterwise Assembly
Wow, what a fantastic assembly! Congratulations to Ms Bolton, Mr Kayser and the children of W6 for the fabulous costumes, the songs and the wonderful play about Tiddalik. Thank you for your water saving messages – an important reminder for us all.

Eagles Cup BCPS Vs Caralee:
Congratulations to our football team who again won their game and also to our hockey team who had a convincing win of four goals to nil! The netball teams again gave their all but unfortunately both teams were defeated.

German Big Day Out
The Fairy Tale theme saw the children of Sheoak departing in their fancy dress. Thank you to all the parents who make these days possible by finding just the right outfit for the children. They looked fantastic and they had a great day. The children saw a puppet show, played games and interacted in German with other German students from other schools in Perth. Thank you once again to Frau Colgan for organising this exciting Day Out.

Science Alive Incursion
With flames and lots of laughter this event was loved by all the students throughout our school and hopefully they also learnt something about Science. Thank you Mrs Timms for organising this interesting and entertaining incursion.

Enrolment Reminder
For the parents of the current Kindy & Pre Primary students please return the Application For Enrolment Form for your child/children to the School Office before the end of this Term. If you are aware that your child will not be attending Bull Creek Primary School in 2013 please notify the school as soon as possible to enable us to accurately plan for 2013. Thank you.

Interm Swimming
Swimming lessons have begun and we ask that you please ensure your child arrives at school suitably prepared with a towel, clean underwear, shoes and a jumper each day.
The Canteen Manager asks that if your child is in the last swimming group S4, B5, W8 or B3 that you do not place lunch orders at the Canteen during the next week. It is difficult for the Canteen to supply these classes with lunches due to the late return of the children from the swimming pool.

Parking
Parking around schools is a problem, and unfortunately Bull Creek is no exception. Please ensure that you keep the safety of our children as your first priority when picking up or dropping the students off by not double parking, parking in the staff car parks or on the grassed areas. Parents, please do not walk your children through the car parks as they are out of bounds to children. These practices are extremely dangerous for our students.
Also please consider others by not parking in the designated marked disabled parking bay unless you have a current ACROD sticker. We appreciate your cooperation in this matter.

Our Email address has changed
It is now bullcreekps@education.wa.edu.au we ask you to please update your records.

Thank you for taking the time to read this newsletter

GERMAN Language Perfect

The language Perfect competition was a great success. Bull Creek participants have answered over 100,000 questions in only 10 days. So keep playing while you are learning!

X-COUNTRY CHALLENGE!
Parents Vs Teachers

This year for the first time at Bull Creek Primary School we have decided to include an additional race at the Faction Cross Country Carnival. This event will be a 1km race involving parents and teachers who would like to participate. You will not be required to register, but it is important that all parents and teachers do some training prior to the event. The Carnival is to be held on Thursday, 28th June so there are no excuses! There will also be medals for the first three to finish! If you have any additional questions please see me on Wednesday or Thursday.

Jump rope for hear
6th July 2012

It's great to see that there is already a lot of jumping and skipping happening at our school. Skipping is an excellent way to keep fit and healthy. Over the next few weeks, children will be learning a range of fun skipping skills and new tricks. We will emphasise the importance of regular physical activity and the importance of healthy eating for a healthy lifestyle.

Jump Rope for Heart is also a great way to encourage children to get involved in our community and support Australia's leading heart health charity, the Heart Foundation.

Sponsorship is easy – simply go online to www.heartfoundation.org.au/jumprope, click on the green ‘Kids Join Now’ button, and register your child today! A secure fundraising page will be created as soon as you register; all you need to do then is click the ‘Email Sponsors’ link to send your family and friends an email asking them for their support... It’s that easy! This is an easy, safe way for your child to monitor their progress, receive bonus prizes and even receive sponsorship from family and friends who are further afield.

There will also be some spare Sponsorship forms in the office as well as a box if you prefer to put your money in there. So start skipping and collect money. There are great prizes to be won!

At the end of the program we will be holding a Jump Off, an event to celebrate and culminate the Heart Foundation Jump Rope for Heart program. This will be held on Wednesday, 6 July 2012 – Week 11. The Jump Off day is a great opportunity for you to witness how much fun skipping can be, come along and pick up a rope!
