What a great start to the year it has been for the Pre Primary and Year 1 class in B2. We have lots of new students who are now settled and familiar with class / school rules and expectations.

Our theme so far has been Nursery Rhymes and now we are moving on to Fairy Tales. We have been working so hard and practising many different skills.

We have been:
- cutting
- painting
- tracing
- writing
- threading
- tearing
- gluing
- counting
- discovering our virtues
- reading
- practising our sounds and MUCH MUCH more.

It is a busy class with lots of learning and discovery. We have included a few photos of some of the work we have completed so far. We hope you like them from Miss Jukic and all the children in B2.

P & C Sausage Sizzle
Congratulations to our P & C for organising a fundraising Sausage Sizzle at Bunnings, O’Connor this Sunday, 11 March. The ‘cooking’ will start at 10am and finish at 4pm. So, if you need some reticulation parts or garden fertiliser Bunnings, O’Connor would be a very good place to go! Just mention Bull Creek Primary School and you may get some ‘extra’ tomato sauce or mustard maybe!
Many thanks to the cooks!!

SCHOOL PHOTOS
THURSDAY, 22ND MARCH 2012

School Photo day is coming! Every student will receive an envelope for his or her photo order and payment. Parents are asked to select the photographs they require and return the envelope to the school on the photography day (Thursday, 22nd March) with payment included.

Kindy Group A (Mon/Tue/Wed) will have their photos taken on Tuesday, 27 March. Your envelopes are to be returned on Tuesday, 27 March.

Every student must return their own envelope with their order clearly marked, even when the money is put into one envelope for multiple siblings. See your envelope for more information.

Any child who forgets or is unable to bring their envelope on the photo day will have a second chance to order school photos from a proof sheet which will be delivered with the school photo orders, however additional charges will apply.

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on 9240 1714 or email enquiries@kapture.com.au.

Our school is offering a sibling photo service during the photo day. If you would like to use this service, you will need to collect a specific sibling envelope from the School Office and return by 9am on the morning of photo day.

All students will be photographed individually on photo day for school administration records AS WELL as included in their class group photo available for purchase to all families. Should there be any reason why your child should NOT be included in the photo shoot – please contact your School Office.
HARMONY WEEK

The aim of Harmony Week is to celebrate the cultural diversity that makes Australia a very culturally rich and interesting country to live in. This year the week falls between 18th and 24th March and the school is getting involved in becoming fitter by undertaking games from all over the World.

On Friday, 23rd March we are asking if the children could wear something orange (Harmony Week colour) or some traditional dress of their family’s background and also to donate a gold coin, the proceeds of which will be handed over to the Red Cross.

Harmony Food
The School Canteen will be serving food from three different cultures during Harmony Week.

- **Tuesday 20th March** - Singaporean Chicken Rice
- **Thursday 22nd March** - Japanese Sushi (as per normal pre-ordered)
- **Friday 23rd March** - Italian Meatball Subs.

There will be a free tasting sample of the Singaporean Chicken Rice at lunchtime on Tuesday, 13th March. Please also note that the Tuesday and Thursday items cannot be pre-ordered and will be on a first come first served basis.

Children in Years 5 - 7 and their families are invited to ride to school on Wednesday March 21st to support Bike Week and promote cycling as a personal and environmentally healthy form of transport.

Where: Starting at the Deep Water Point Car Park, Mt Pleasant.
Time: 7:30am start.

We will ride as a group in single file with a lead rider and a sweeper rider at the rear. Children from Years 6 and 7 can ride the 6.5km route and all riders should be competent and confident riders capable of the distance.

Year 5 students wishing to participate can join the Cycle to School group at John Bray Park, Salmond Way, Bull Creek at approximately 8:00am. (Please see map on next page outlining our Cycle to School route).

Adults will be supervising road crossings. All riders will dismount for the supervised crossing of Parry Avenue. Teachers are not supervising their class children on the ride and they will accept responsibility as usual at 8:30am at school.

A healthy light breakfast at $2.00 per person will be available at school provided by the Canteen for the cyclists. All community members are encouraged to attend and join in our breakfast at school.

Please remember this is a Cycle to school event for Years 5 – 7 students. Scooters, rip sticks, power wings and skates etc are not to be used.

Cycle to School Day is part of Bikeweek 2012 (19-27 March), featuring 80 community events suitable for all age groups and fitness levels.

To promote the Cycle to School Ride, senior students have organised a bike inspection day on Wednesday, 14th March with all school students encouraged to bring their bikes to school and have their roadworthiness assessed.

Permission notes and more details will be provided closer to the day!
University of New South Wales Testing

Students from Years 3-7 are invited to participate in the University of New South Wales Australasian testing program to be held in Terms 2 and 3, 2012.

ICAS provides an opportunity for all students in Years 3 to 12 to gain a measure of their own achievement in an external testing situation. It provides teachers, parents and students with reporting of results in the areas of English, Mathematics, Science and Writing.

All students receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested. The tests are a useful preparation for national tests and the student report may highlight your child’s strengths and weaknesses. The certificate and individual student report are also suitable for your child to include in a portfolio.

Cost structure is as follows:
