All "The Senses" Through The Summer!!

This semester we have been learning about the sun, the summer, the beach and the ocean. This is a great topic to make use of our five senses and let them do some work.

How does summer feel?

...sandig? nass? spitz?...

The students had to feel different objects like sand, water; shells etc. and find matching adjectives that they have learned before.

How does it taste?

What is better than a sweet, cold yummy ice-cream on a hot summer day? We made our own ice-cream. Yummy!!!
Lecker!!!

What does it look like?

Year 4/5 made beautiful beach pictures after learning about what protects us from the summer sun.
