## FROM THE MUSIC ROOM.....

Music has been alive and well at the school and within the community this term, with students participating in several concerts.

### Bentley Park Performance

On Friday 12<sup>th</sup> September, the brass and woodwind students performed two concerts for the residents at Bentley Park. The students did a wonderful job representing our school and had a great time performing solo and group pieces. Well done to those students who attended and for continuing to smile during some difficult situations.

### Stockland Shopping Centre Performance

On Wednesday 19<sup>th</sup> September the school choir strolled down to the shopping centre and performed two sessions. The students sang a repertoire of music they have been learning this year and entertained a very attentive group of onlookers and parents with their melodious singing. All choir students should be proud of their excellent behavior and for an enthusiastic performance. You did a great job representing our school.

## CELLO GIG REVIEW!!

On Wednesday, 10th September the cellists from Bull Creek Primary and many other primary schools performed in the Amenities Centre for their parents and other guests.

The Year 4s opened the concert and the audience was surprised at how brilliant they were after only learning for 6 months.

Marcus & Genevieve from Year 5 played Shortnin' Bread with the Year 6 students and then performed Sailors' Hornpipe as a duet. Both of the songs were a success.

When the Year 6s played, Gurpreet was excited at performing French Folk Song and Shortnin' Bread in front of a large audience. Jaslyn thought performing to the public was worthwhile because it helps you to overcome nerves.

Natasha & Ashley from Year 7 played Largo as a duet and Rigadoon with other students. This was a good opportunity to impress the audience with their versatility in playing both fast and slow pieces.

For a grand finale 40 cellists piled on stage to present to the audience the fantastic theme of Pirates of the Caribbean. The audience clapped very loudly! Overall it was a squishy but fun evening of music.

Thank you to all the Bull Creek Cellists for performing at the Cello Gig and Natasha for taking care of the younger students throughout the evening. Also a special thank you to Marcus Wong, Jordan Ryan and their families for helping to pack up after the performance.

**MEDICAL ALERT  
LIFE THREATENING  
ALLERGIES**

We have a number of children in the school with severe allergies to nuts and nut products.

The children in most cases need only to touch an object which has been touched by a child that has eaten a product containing nuts, for there to be a life threatening reaction.

Please support the safety of all the children in the school and refrain from sending any nut products in your child's lunch and snacks. These may include peanut butter sandwiches, snickers bars, etc.
