## Snack Shack Price Increase

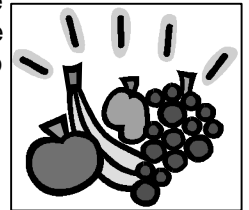

No doubt you have experienced higher prices in your own weekly shopping and the same is true for the Snack Shack. This increase in the cost of fresh food combined with the introduction of the Government traffic light food rating system has resulted in many state school Canteens struggling to make ends meet. Whilst every effort is made to keep our prices down we regret to inform you that the Snack Shack has been running at a loss for most of this year and consequently the Menu prices need to be increased.

We aim to provide healthy, nutritious meals through our school canteen and we have wonderful people running the Canteen who work tirelessly to enable this to happen. Please be aware that our current situation is no reflection on our Canteen Managers it is a statewide phenomenon that has now reared its ugly head here at Bull Creek. You will find an updated menu with this issue of the P&C News. Please discard the previous green menu and replace with the new yellow one.

As a school of just over 300 students, we are very privileged to have a canteen at all, let alone open four days a week. The effect of the increased prices will be closely monitored and if the situation doesn't improve we may need to consider reducing the number of days the canteen is open.

Please help our canteen by purchasing your child's lunch through the Snack Shack so we can keep this hub of our school operating into the future. Visit our friendly Snack Shack Managers Pauline and Helen to place your orders or to add your name to the list of volunteers.

We look forward to your continued support.  
Bull Creek P&C Committee.
