P&C NEWS

Bull Creek Primary School

SPIDER PLAYGROUND HAS NEW BORDER

Thanks to 5 energetic workers and funding from the P&C the spider playground now has its new border. A big thank you to Neil Wetmore, Paul Rutty, Mark Tosolini, Ian Lee and Tad Michelik who put their woodwork skills to the test last Saturday morning and came up with a fantastic result!

SCITECH STRIKES THE RIGHT CHORDS

Scitech night was as much fun as usual, we especially enjoyed the new exhibit Strike a Chord which was all about MUSIC. There was plenty of room and we all wished we had more families join us as it is not often you get a venue like that all to yourselves to run around and enjoy.

It is worth holding this event simply to see the children enjoy themselves even though in the past we have managed to use it as a fundraiser.

Thanks to Lindy Wagner for making and supplying all the ingredients for the delicious Pumpkin Soup and to Meagan Hanson and Dianne Ayres for supplying and popping the yummy Popcorn.

As they say a picture is worth a thousand words and here are some of the children enjoying themselves.
