SCHOOL WATCH: 1800 177 777

FROM THE PRINCIPAL'S DESK

Dear Parents/Carers,

This term has been incredibly busy with EduDance, excursions, incursions, Kindergarten orientation, high school transitions, graduation night, celebration night and today's family picnic.

The staff have been working hard teaching and assessing the curriculum. On Tuesday the Semester 2 reports were emailed out. Please take the time to discuss your child's report with them. I would like to congratulate the students on their achievements and the staff for their tireless dedication and professionalism.

On Friday 10 December the new Nature Playground was officially opened in the Kindergarten/Pre-Primary area. I would like to thank the P&C, both past and present, members as this has been on the horizon for eight years. Everyone is grateful that the playground is finally installed, and the students are experiencing such joy.

Last Saturday the Fathering Project had a camp out on the oval. This was attended by 50 families, both the Dads and the children had lots of fun and made new friends and connections within our community. Thank you to the P&C, Martin and the champion Dads for supporting this event.

This term we have a few staff farewells. Mr Ellis will be taking a position at Riverton Primary for twelve months. Miss Murray and Miss Brookes are taking up positions at other schools. On behalf of the staff and students we wish them all the best at their new schools.

I wish the Year 6 graduates every success as they transition to various high schools. I know you will embrace your new educational journey in 2022. Also, I would like to acknowledge and thank families who are leaving over the holiday period.

Lastly, I would like to thank the entire Bull Creek staff, students and families for being very supportive as I undertook the Principal position for the year. I have been impressed with your high expectation and kindness. I feel very grateful to have been part of your community.

I hope everyone enjoys the festive season and a well-deserved break and hopefully I will see you all again in 2022.

CHATTY CHAPLAIN NEWS

Well 2021 started with a bang and has finished with a nice smooth ending.

For me, it has been lovely transitioning from a very challenging role working in a school with at risk and disengaged students, to Bull Creek Primary where all staff, students and community have so warmly welcomed me.

My diary has been busy, while I had one-on-one talks with students, ran a resilience program throughout different classes, worked in classrooms, joined the committee for the Be You Wellbeing program and assisted on the launch night of the Fathering project.

Being the first Chaplain at BCPS I have had a lot to do, and often my mind wanted to do more than I had hours in the day

I have established a committee of volunteers from Westminster Presbyterian Church Bull Creek who have started giving their time to support our school. You may have seen a group cooking the hotdogs and hamburgers at the Celebration Night, many hands make light work, and they did a fabulous job.

Being a part of starting our Culture Club alongside Mr Robert Hofmeester has also been a highlight. This is designed to get families of all cultures to meet each other and become a group that can get alongside each other for friendship and support. In 2022, we would love to see more families come along and meet some new friends.

As we wrap up the 2021 school year and head into the holiday season, I want to wish you all a happy, safe and joyful Christmas spent relaxing with your loved ones.

Love and Best wishes

SHEOAK 5

Wow, is it that time already?! As the 'sun sets' on another school year and we move into the festive season, one can't help but reminisce on the year that was..

The students of Sheoak 5 have been reflecting on their own highlights of the year, some of which can be seen below.

"I loved playing new maths games and learning new maths strategies" – Tom

"I loved playing with my amazing friends and having Mr E" – Alisa

"My favourite memory was doing our assembly play" – Chanali

"My highlight was competing in the interschool athletics and Bull Creek winning the carnival" – Yamika

"It was good when Mr Ellis would teach us lessons that would make us laugh" – Cherine

"Playing lots of sport with Mr Pember and Mr Ellis!" – Arsh

On a personal note, I would like to thank Mr Pember who was a key member of our Sheoak 5 classroom this year. He stepped into my role for a large portion of the year and did a fantastic job. I know the students hold him in very high esteem and have enjoyed his company.

As I leave for a new challenge in 2022, I would also like to thank the Bull Creek community for the last four years I have spent at your school. I have been fortunate to have met some incredible individuals and created memories that will last forever...

I wish everyone a Merry Christmas and a Happy New Year!

WONDERFUL WATTLE 1

This term we have been learning about poetry. We have discovered there are many literacy devices used when writing poetry and there are many different types.

Alliteration is a literacy device that assists in the rhyme of a poem. Here are some examples of alliterations (the occurrence of the same letter or sound at the beginning of adjacent or closely connected words) we wrote.

Santa is silly to sing songs in soprano in Sydney.

Elves are envious at each other at Easter about the eggs.

Stars shine on small smelly trees.

Presents pretending to be prefixes.

Eleven elves do elite elfish tricks.

Haiku is a type of poetry that require a certain amount of syllables to formulate.

Here are some examples we wrote about Summer.

I go to the beach

Hot sun is shining

Oceans crashing fast

I like eating icy poles

Fun family gatherings

Splashing in the pool today

I can play with friend

Chilling in my house

Summer is the best

Swimming in the pool

Summer can be hot

I can go outside

I am having lots of fun

I love going to the beach

There are lots of mosquitoes

Summer is good fun!

Playing in the pool

Summer is the worst!

SCIENCE

The students have conducted many investigations using a wide range of scientific resources this semester. They have applied their inquiry skills and scientific knowledge to better understand everyday observations. This term, the Year Four classes have investigated forces such as friction, magnetism and gravity. The Year Six classes have measured the voltage of small solar panels, motors and made voltaic piles and lemon batteries! The Year One students have explored high and low pitch sounds and sources of light.

Our students have used modern and innovative resources, including digital technologies to complete their science investigations. They regularly ask and respond to questions and uncover or discover the answers by doing 'hands on' experiments. Overall, our students have enjoyed learning new skills and developing their scientific understandings, including the importance of science in their lives and today's society.

WATTLE 10—KANGAS

This term at Kangas kindy we have been very busy!

Before the Christmas fun started, we were exploring the Australian outback and all the animals in Australia. We read stories about Possums, Wombats, Koalas, Emus and most importantly of all, Kangaroos. These stories were so much fun, they helped us talk about our favourite foods to keep us "visible", we made wombat stew and painted our favourite Australian animal. We then practised "directed drawing". We drew and painted our own Kangaroo before turning him into a Christmas Roo!

In the kindy room we role-played camping, fishing and cooking on a mini getaway. It was later turned into a bush vet to which we were able to assist animals who were sick or hurt. We were very empathetic vets and wanted to make sure all the animals were safe and happy.

Magically the room transformed, and Christmas arrived! Alongside the Christmas decorations a little helper from the North Pole came to visit, our very own ELF! We had a vote and called him "Mr Snowy". He is a cheeky elf, we found him on the roof swinging, he ate SO many candy canes and left a big mess everywhere and Mr Snowy also wrapped our Christmas tree with toilet paper. He has been a funny addition to the classroom. As a class we perfected our directed drawing and drew "Rudolf" the red-nosed reindeer. We used Christmas colours to make him sparkle in the classroom. We strengthened our fine motor skills and used muscles to roll and make a salt dough decoration, we got to paint them magical colours and when they were dry, we hung them on our tree. Our Christmas party was the most fun this term, to celebrate our first ever Christmas at school we had a feast of yummy goodies, played Christmas party games like pin the red nose on the reindeer and pass the parcel. It has been a wonderful time in the Kangaroos Kindy, let's see what fun we get up to in Pre-Primary.

FLDC

News from The Fremantle Language Development Centre

Banksia 1, 2 and 3

On Wednesday 8th December we hosted our FLDC Leavers Assembly. This was an opportunity to celebrate the success of our students, and say farewell to the friends who will be leaving us to return to their mainstream primary school next year.

The children displayed confidence and courage to sing a beautiful song, *We're On Our Way* which is all about trying your best and never giving up.

The Year 3s hosted the event and did a wonderful job speaking in the microphone.

The students leaving us this year are

Banksia 1: Mea Tamehana, Rooney Le, Shanzay Shah, Zia Alizadeh, Aiden Bosch and Riley Woodacre.

Banksia 2: Nayte Harris, James Hutton, Camryn Barendilla, Osman Arish Syed and Alexander Munyard.

Banksia 3: Mitchell Bruton, Charlie Dwyer, Connor Fielder-de Haas, Mustafah Hassani, Guhan Manickavasagam, Nasif Noor, Joshua Park, Travis Pattes, William Walker-Graham, Jineth Welendawe and Ava White.

We wish all of these students and their families the very best moving forward and we look forward to hearing of your progress in the future!

NEXT P&C MEETING – 15th February 2022 – 6.30PM (SCHOOL LIBRARY)

Huge thanks to our reliable and hardworking Canteen Manager, Kylie Aitken, Assistant Carrie Keagan and all the regular volunteers.

To Mrs Marchenko, Mrs Owen and Mrs McCarthy for being so supportive of the initiatives and issues raised by the committee and being hands on at each of our events including the sausage sizzle, colour fun run and busy bee.

To the 27 individuals that have contributed between 50-300 volunteer hours this year including attending meetings, events, planning, fundraising and tirelessly juggling work, kids and contributing to building our school community.

We truly value each of your input.

Thanks also to the Committee and the 10 people that regularly attend the P&C meetings. Particularly noting Martin and Vyanne Lau for their reliability supporting the canteen and in the Treasurer role for over 3 years.

To Amanda Green for coordinating the fundraising committee and staffing the uniform shop every Monday morning.

RECENT EVENTS

Family Movie Night

Another family movie night took place on Friday 19th November where "Hotel for Dogs" was viewed and was a great success?

Thank you to all those that helped put the night together particularly, Amanda Green, Liv Watling (and family), Helen Britza (and family), Michelle Cronin and Erin Curnow.

Total funds raised was \$1,900 which was much more than expected with the weather looking a bit dicey!

Thank you to all those that supported the night.

P&C FUNDING 2021

This year the P&C contributions to the School have been as follows:

- \$34,000 towards a long-awaited upgrade in the kindy/pre-primary playground area - including improvements to the fort and gardens, a water play area and a bike path extension
- \$5,000 Constable Care Bike Awareness Training for years 1, 2, 5 and 6's
- \$2,000 Paul Litherland Presentation
- \$2,200 Portable Marquees for interschool events
- Music banners, Book Vouchers, Blinds for the library, Year 6 graduation and subscriptions such as Kids A-Z, SignUp and the start-up of the Fathering Project

ANNOUNCEMENTS

2022 P&C Executive Committee & General Committee

Get on board and involved in our Parent Committee and have a say how funds raised are distributed. Help us to maintain a strong and supportive school community for the benefit of our children. Take on a role in the committee, be a class representative or casually attend our meetings to keep informed and raise ideas. We are open and inclusive, and all are welcome.

Our "Just one Thing Flyer," will be sent out at start of next term where there is a opportunity to express your time, interest and availability for the year ahead.

UPCOMING EVENTS & EXPENDITURE FOR 2022

- Welcome Picnic
 - Disco
 - Colour Run,
 - Movie Night
 - Busy Bee.
-
- \$20,000 for new technology equipment including iPads to support the new Technology Teacher
 - Upgrades in the main playground – thanks to everyone's votes for the Robin Hood Grants.
 - And support of the ongoing annual programs such as bike education training

BOOK CLUB

Thank you from our bookclub team for your support this year. We started this year with Zero Dollar rewards as all our rewards went to support our library resources. But together, we made this a successful year! Here's what your support meant in numbers in 2021:

Our book club sales accumulated \$1510 Rewards throughout the year!

We redeemed \$640 Rewards in class and student vouchers and another \$180 Rewards will be redeemed by students and classes next year!

We made a donation of \$686 Rewards to our school library this month!

But beyond these numbers, you've helped us foster more passion for reading and books. You've helped us offer more exciting books and resources to our early readers in Kindy and Pre-Primary! So thank you very much for your ongoing support!

CANTEEN – Term 4

Our Canteen has had a very successful year including introducing a 4th canteen day and a range of new menu items which have been very popular.

A very big thank you to our Canteen Manager Kylie who always goes beyond her job requirements to ensure that the Canteen is a fun and approachable space for the students to come and practice all sorts of skills. Thank you for her efforts over the year and those of the regular volunteers, and our new Canteen Assistant Carrie.

"Just One Thing 2022"

Dear Parents, Guardians and Friends

Please participate in our "Just One Thing" campaign for 2022.

Our P&C uses volunteers to run the canteen and uniform shop providing a convenient and low cost service to the school. To continue to run these services we are very dependent on volunteers.

We also run a community building events throughout the year and support the teachers by volunteering in the classroom and at sporting/ cultural events (subject to Covid restrictions).

We have about 300 families attending our school, and we would be grateful if every family would nominate to do "just one thing", or more if possible, throughout the year.

We try to stay in touch with all parents via a 'P&C Class Rep' and hope to run a class social event each year for parents to get to know each other, particularly for those that are new to the school community.

This year we are raising funds for a suitable workspace for our Support Services staff (Psychologist, Chaplin etc) and IT equipment to support the new Technology Teacher. Both initiatives will benefit the whole school.

On the next page is a list of "activities" that we would appreciate your assistance with. **Please tick just one box (or more if you wish)** and place your contact details at the bottom of the page. Please return them to us via email, your classroom teacher or the front office so that we can collate the responses, and when the time comes someone from the school or P&C will be in contact with you regarding your participation.

Thank you for your support!

Yours Sincerely

Nicky Stott, President – Bull Creek Parents and Citizens Association

Dads and Kids camp out

We had our inaugural Dads and Kids camp out on Saturday 11th December 2021.

There were 2 telescopes, 43 tents, 40 pizzas, 72 sausages, 1.25kg bacon, many ice-creams and countless number of glowsticks. Most importantly, there were many new friendships, and the kids were running under the stars with their friends.

The most heart melting moment was a little year 2 girl asking 'can we please camp for another night?'

We are keen to bring the event back next year. If the dads are not already on our WhatsApp group, please join us using the QR Code below.

SCHOOL HEALTH NURSE

The WA Department of Health is funding the Better Health Program in the Perth metropolitan region. The ten-week program is available to families both face-to-face and online and **we need your help to get the word out to the local community!** We are currently accepting registrations for Term 1 2022.

What is the Better Health Program?

The Better Health Program is a free, healthy lifestyle program for families. The program is evidence-based and is developed and delivered by qualified health professionals to support families with making sustainable health changes. Children (and their families) are eligible to participate in the program if they are:

- Aged 7-13 years
- Above a healthy weight

In Term 1 2022, Face-to-face program locations include:

- Herb Graham Recreation Centre Mirrabooka, Tuesdays commencing 1st of February 2022
- Bounce Cannington, Wednesdays commencing 2nd of February 2022
- Latitude Air Edgewater, Wednesdays commencing 2nd of February 2022
- Rebound Arena Port Kennedy, Thursdays commencing 3rd of February 2022

For those unable to attend a face-to-face program, the online program includes:

- Weekly interactive modules
- Weekly phone coaching support with a health professional
- Lots of freebies (including a Garmin fitness tracker and other great resources)
- Prizes

Benefits to families:

- Learn about healthy habits in a fun and engaging way
- Support and resources to establish healthy habits
- Flexible program delivery - Face-to-face in the community or online

What can you do to help?

We'd be very grateful if you could spread the word about the program! Please see our linked [promotional resources kit](#). This contains both print and digital resources that you could share with families, colleagues and within your networks.

If you would like further information about the program, please don't hesitate to reach out via email, call us on 1300 822 953 or visit our website.
