SCHOOL WATCH: 1800 177 777

FROM THE PRINCIPAL'S DESK

Dear Parents/Carers,

Welcome to Term 1 2022, it has certainly been a very interesting start to the school year. Firstly, I would like to express how grateful I am to have won the Principal position and look forward to leading the school on a positive and successful journey.

The staff and students arrived back at school with new ceilings, lights and air conditioners. The new ceilings and lights have certainly brightened up the classrooms. However, the construction and work over the holidays did leave the teachers with a busy and messy start to the year.

Shortly after school began a new wave of COVID was developing in our community. This has been very difficult for staff, students and parents and I would like to personally acknowledge the encouraging and supportive response from our community. I realise it is hard keeping up with the ongoing changes and it takes resilience and flexibility to adapt to rapid variations. As the borders open this week and the spread increasing, this will make the next few weeks challenging for us all. Please be assured the school is following protocols and procedures. It will take a community effort for us all to get to the other side of the pandemic. Please keep your children home when they are unwell and communicate the reason for absence and follow all Health guidelines and policies.

This term we have had to change processes on the way we do things such as assemblies. Mrs McCarthy and I had great pleasure meeting with our new student leaders and their families to award their badges. The student leaders for 2022 have been undertaking their role with enthusiasm and professionalism. The Prefects have been reading out merit award winners over the PA system, organising Crazy Dress Up fundraiser and hanging the flags. The Sustainability Leaders have been busy preparing garden beds and will be trained up next week to learn how to keep worm farms. Faction Captains have started new Wednesday lunch time sport activities. The Values Leaders have been conducting mindfulness sessions over the PA. The leadership roles and duties have had minor changes due to COVID, but full duties will return when it is safe. Please see the photos of our student leadership team.

There are two very important events coming up this month for the students. Usually we would celebrate as a whole school, however, this year students will learn about these special days and weeks during class time. The students will learn life skills that underpin our school values. (Respect, Inclusiveness, Resilience, Excellence and Responsibility).

National Day of Action against Bullying and Violence is acknowledged every year at Bull Creek Primary. This year it falls on 18 March. The theme for 2022 is Kindness Culture. By building Kindness Culture together, we can promote inclusion, respect and community belonging for all students in schools across Australia.

Harmony Week is from 15-21 March. Harmony Week celebrates Australia's cultural diversity. It's about inclusiveness, respect and a sense of belonging for everyone. This year's theme is 'Everyone Belongs'. At this challenging time, across the world, it is important we all live in harmony and peace.

FROM THE PRINCIPAL'S DESK

Bull Creek Primary School is seeking nominations for School Board Parent Representatives.

The Board meets on a Wednesday afternoon at 4.30 twice a term and the duration of these meetings is usually an hour.

The Board takes part in:

- The development, endorsement and review of the school budget and business plan.
- The processes to review school performance.
- The development and endorsement of the school annual report.
- Review of school policies.

If you are interested, please see the School Board Connect message outlining your Expression of Interest via email to Sharon Marchenko highlighting a brief Profile Statement explaining your reasons for your interest in becoming a member and skills you could bring to the Board. Your Profile Statement may be used to assist parents/carers in voting, should an election be necessary. This should be received no later than 3pm on the 11 March 2022.

For a full overview of what an Independent Public School Board does please visit our website:

<https://www.bullcreekps.wa.edu.au/about-our-school/school-board/>

Thank you for your ongoing support of our school community.

I hope everyone has a restful and safe long weekend.

SCHOOL NEWS

At Bull Creek Primary, Leadership Roles are highly sought after by the students. Those wishing to apply for the positions prepare a speech for their fellow peers and teachers as to why they should be chosen. The students and teachers then vote on which children they believe will do the job the best.

SCHOOL NEWS

WATTLE 3

The students of Wattle Three have made an outstanding start to Year Two. They've worked very hard to get back into the routines of school and should be proud of themselves. We have started the year by focusing on teamwork and creating a supportive learning environment for each other.

During a recent Maths lesson, the students were shocked to find that some of our classroom resources had gone missing! It was then up to them to work as a team and follow the clues hidden at each table. Each table had several clues to find which eventually led them to our missing equipment. Once they found the equipment they had to work as a whole class to uncover who stole it. It turned out to be our beloved Ms Lobb! The students did an amazing job at working together to decipher each clue and solve the mystery. We followed up this activity by writing a joint recount, making sure we included as many details as possible. This included details about the Security Fairy who interrupted our Maths Warm Up to inform us there was no time for Maths and that finding the equipment was priority.

Mrs Sinclair
Wattle 3 Teacher

WATTLE 7

Our year in Pre-Primary has just begun and already we are having so much fun!

In our first week we couldn't wait to come inside and see our teachers Mrs Toner, Mrs Easterday and Ms E who all loved our big smiles.

On our very first day we read a story called The Koala Who Could. It is a story about not being afraid to try new things. We talked about how special we all are and how we can do things if we just try them by "having a go".

In our first few weeks we have learnt so much. In Maths we have been learning about number and pattern. During our Literacy sessions we have been learning our sounds and writing. In Science we have been learning what solids and liquids are in Chemical Science. Just like the Koala Who Could we are learning and trying many new things and we know that we can do it!

We are so proud of ourselves and Mrs Toner and Ms E are extra proud of us too! We can't wait to see what we will learn next!

Mrs Toner
Wattle 7 Teacher

SCHOOL NEWS

SHEOAK 4

We have had an amazing start to Term One in Sheoak Four. All of the students have handled the changes and challenges that we have faced so far with maturity and a positive attitude. We are building a strong and cooperative learning environment in Sheoak Four. We are embedding the schools values in our classroom and thriving in all aspects of our learning. The children have put in a great team effort and are working cooperatively and encouraging each other to try their best and work as a team.

Some highlights from the students so far;

“I have enjoyed meeting new people” – Natalie

“I like doing times tables on Kahoot”- Derek

“I liked having our class photo altogether and having the Crazy Dress Day”- Nicola

“I really like competing against each other on Kahoot”- Heizel

“My highlight has been having morning fitness every day”- Curtis

I am so proud of all of my students in Sheoak Four and their amazing achievements this term. I can't wait to see what 2022 brings for us all.

Ms Piani
Sheoak 4 Teacher

ART NEWS

B4, B5 and B6 are enjoying reacquainting themselves with clay hand building techniques. They are making animal vessels where they form a pinch pot and then transform it into animals by adding body parts and details.

S5, S6 and W1 have been doing some amazing pet portraits. The children have been very clever working from photos to see the pet's face as a series of shapes. They have explored quality of line to add detail and to build up texture.

W5 and W6 have made lovely covers for their journals by overlapping shapes painted with primary colours to make secondary colours. They are now learning about an artist called Mondrian who loved to paint vertical and horizontal lines and use primary colours to paint rectangles and squares.

Mrs Cosford's W2, W3, W4 and S4 art classes have been busy learning how to draw Chinese dragons and water tigers as well as making dragon puppets to celebrate Chinese New Year.

If you would like an enjoyable family outing there is an exhibition called Sculpture at Bather's which runs until March 7th. It would be worth a visit if you are in Fremantle over the long weekend. Also, Sculpture by the Sea at Cottesloe Beach begins this Friday and runs until 21st March. These exhibitions might also provide some inspiration to your children or your family for some creative sculptures of your own.

Mrs. Perna
Art Teacher

SCHOOL NEWS

GERMAN

INTEGRATED LEARNING WITH CLIL

The Goethe-Institut supports schools to integrate German into other curriculum areas such as Science, Technology, Coding and Environmental Studies.

CLIL = Content and Language Integrated Learning

CLIL refers to a successfully established educational approach in which language and subject content are learnt together.

CLIL suits starting a new language program or reinforcing an existing one. It is advantageous as it addresses the 'crowded curriculum' issue and extends the time allocation for language learning. In Australia, many schools have introduced CLIL programs to promote multilingualism and intercultural understanding – key skills in an increasingly interconnected world.

CLIL sets up the perfect environment for language learning and has been proven to:

- + increase learners' motivation and engagement
- + enhance cognitive development
- + help learners improve in the additional language and in English
- + strengthen creativity and innovation in school
- + strengthen intercultural understanding

Research has shown that students in CLIL classes perform at least as well in the subject as their co-students in monolingual programs.

CLIL TEACHING RESOURCES

The Goethe-Institut Australia provides teaching materials for learners in primary through to secondary school.

- + German and STEM
- + German and Sustainability
- + German and Cross-curriculum priorities

goethe.de/australia/clil

WHY GERMAN IN PRIMARY SCHOOL?

www.goethe.de/australia

KEY REASONS WHY GERMAN IS AN EXCELLENT CHOICE

With the teaching of languages now recommended in all schools across Australia by the Australian Curriculum, this is a time for new opportunities and new approaches to learning and teaching of German.

According to the Australian Curriculum: Languages, schools are encouraged to enable all students to engage in learning a language in addition to English. The core focus of the Goethe-Institut is to support school principals, teachers and learners of German to achieve their aims.

goethe.de/germanabsolutely

GERMAN?
DEUTSCH?
ABSOLUTELY!

- + Learning a language enhances the broader educational values of raising cultural and social awareness, and of challenging stereotypes.
- + Learning a language develops awareness of the similarities and differences with English. Research shows that this improves literacy outcomes for all learners. English and German have words in common as they both are Germanic languages with a similar linguistic heritage, which means that it is easy for students to recognise and remember many words.
- + There are many innovative, fun and interactive materials for teachers and learners of German. The Goethe-Institut is the front runner in the provision of free or low-cost materials, and in their support of teachers and learners.
- + Germany is one of the prominent forces in Science, Technology, Engineering and Maths (STEM) areas and is one of the major contributors to research and development in these industries. The Goethe-Institut has a strong focus on linking German with STEM subjects, and offers teachers and students of German a wide range of STEM materials and projects.
- + When it comes to future career paths, there is a great benefit for Australian students who speak German. Germany remains the largest economy in Europe, the 4th largest in the world and the world's third-largest exporter. Knowledge of German can increase job opportunities and positively impacts relations with German business partners.
- + Germany is one of the most attractive locations for international students worldwide. More than twelve percent of students at German universities come from abroad and benefit from the opportunity of free or low-cost courses. German university degrees are highly respected by employers worldwide.

OUR TWO MOST SUCCESSFUL TEACHING PROGRAMS

FELIX AND FRANZI

The Felix and Franz characters come along with engaging materials for use in primary education. Each unit follows the story of Felix the frog and Franz the duck, the funny hand puppets originally from Germany. The two characters accompany the students through the syllabus, introducing new vocabulary and activities in each chapter. Interactive learning is encouraged with the use of fun and interesting videos and songs.

THE KINDERUNI

The German Digital Kinderuniversity (Kinderuni) is a free educational program for children created by the Goethe-Institut. Students of the online university can explore 30 different lectures in three faculties: HUMANIKIND, NATURE and TECHNOLOGY.

There are two ways to study at the Kinderuni:

IN ENGLISH: Each lecture explains a different scientific topic in English while teaching a few German words in a fun and playful way.

IN GERMAN: Students can watch the entire lecture in German and learn new, more complex German words in each video.

Materials with guidelines and worksheets are available for teachers who would like to integrate the Kinderuni in the classroom and/or as an extracurricular activity.

The materials can be used in multidisciplinary projects and are available in German and English so that teachers of German can work together with teachers of other subjects.

NEXT P&C MEETING AGM– MONDAY 14th MARCH 2022 6.30PM at DOME DEEP WATER POINT

ANNOUNCEMENTS

2022 Annual General Meeting – Mon 14 March 6.30pm

The AGM will be conducted face to face at Dome Café - Deep Water Point & online via Microsoft Teams. Please email us if you can attend so that we can send you further details bcpspandc@outlook.com

If you are not available to attend but would like to be on the P&C mailing [list](#) we can register you as a member.

The agenda includes confirming the [5 year](#) plan and proposed budget; annual reports from the sub-committees, Treasurer and Principal; and elections of the incoming P&C Chair, Vice President, Treasurer and Secretary. As well as nominees for each of the committees:

- Fundraising
- Canteen
- Book Club
- Playground
- Fathering Project

Get involved in our Parent & Citizens Committee and have a say how funds raised are distributed. Help us to maintain a strong and supportive school community for the benefit of our children. Take on a role in a committee, be a class representative or casually attend our meetings to keep informed and raise ideas. We are open and inclusive, and all are welcome.

Just One Thing Flyer -Volunteer Recruitment

Thank you to everyone who has completed and returned the "Just One Thing Flyer". We expect 2022 will be a different year but we are still running the canteen and as many events as we can. If you are able to contribute to the P&C in any [way](#) we would appreciate your support. Every small bit of assistance you can provide shares the load between all our busy families. Please return completed flyers via email, or to the office.

P&C FUNDRAISING 2022

Thank you to all families who have contributed their P&C fees, if you haven't paid [them](#) we really appreciate your contribution which can be made to the school office. At the AGM we will confirm the proposed P&C contributions for 2022 which include:

- \$17,000 for [ipads](#) and IT equipment to support the new IT program
- \$3,500 Constable Care Bike Awareness Training for years 1 and 5's
- \$6,150 [faction coloured](#) marquees
- Busy bee materials, blinds for the library, Year 6 graduation decorations & DJ, and subscriptions such as [SignUp](#) and the Fathering Project.
- We are also collecting funds for major projects in 2023 including re-fitting the snack shack for our student services (Psychologist/ Chaplin) and replacement or repair of the spider playground equipment.

BOOK CLUB

Scholastic Book Club Brochures are distributed twice per term. A proportion of sales is returned to the school as book club credits and rewards which are awarded to classrooms, [individuals](#) and the library.

To purchase from Book Club register on LOOP, www.scholastic.com.au/LOOP. If you need help please contact us, or Scholastic directly.

Your books are delivered in 'Boomerang Bags' which are made from obsolete school uniforms. Please return them to the office so they can continue to be used.

CANTEEN

The Canteen is open for morning tea and lunch on Monday, Wednesday, Thursday and Friday.

- Lunches must be pre-ordered - preferably using QuickCliq, otherwise cash orders before 9am at the canteen window.
- Morning tea can be pre-ordered or cash transactions (excluding PP & Kindy's).
- Extra snacks, drinks and icypoles can be purchased with cash at lunch time.
- The current menu is available on QuickCliq.
- We really appreciate volunteers helping in two hour slots, Kylie will help train you in all you need to know, please sign up here if you can help <https://signup.com/go/KNBNiZK>.

UNIFORM SHOP

Opening hours for 2022: Every Monday 8:30-9:00am. (including the first day of school)

Order online here <https://www.quickcliq.com.au> and collect on Mondays or get your order delivered to your child's class.

If you've outgrown any uniform items please return them to the uniform shop or front office, they will be onsold, or old logo items will be turned into BookClub Boomerang bags.

UPCOMING EVENTS 2022

The Easter colouring in competition won't be going ahead due to Covid restrictions.

Other events, Covid pending, include:

- Busy Bee (Term 2 – mid)
- Disco (Term 2 - end)
- Colour Run (Term 3 – end)
- Movie Night (Term 4 – end)

LAST YEARS EVENTS - Celebration Night BBQ

A big thank you to the local church, boys and girls brigade volunteers for assisting with serving at the BBQ so that the parents could watch their children. Thanks also to Dr Jags MLA for donating the food and drinks for the evening. The P&C raised \$2,361 at that event.

REMINDERS:

Our fundraising this year may primarily be non-contact fundraisers. We have partnerships with some businesses that provide funding to the school through us supporting local businesses.

Containers for Change – 10c drink containers

Blue drink container recycling bins are located in around the school. Any 10c refundable containers placed in these bins contribute to the P&C.

Bring in containers from home and put them in the bike locker bins, or the bin located in the kindy/PP area. Only aluminium cans, plastic and glass drink containers with the 10c refund logo on them should be placed in the bin. Preferably rinsed with no straws or lids.

Gilberts -Southlands

Support local and buy your fruit and vegetables from Gilberts at Southlands. 1% of all sales goes to the P&C. To register ask when you make your next purchase at Gilberts.

Have you joined the Gilbert's SOS Program?

Gilbert's Fresh Market donates 1% of SOS Program customers' total spend to their nominated school every time they shop and scan their SOS card. There are no restrictions on what these funds can be used for at schools. The SOS Program is free to join and available to all customers. Why not join and help a local school? It's so easy!

Please ask our friendly Gilbert's checkout staff for more information.

P & C NEWS

“Just One Thing 2022”

Dear Parents, Guardians and Friends

Please participate in our “Just One Thing” campaign for 2022.

Our P&C uses volunteers to run the canteen and uniform shop providing a convenient and low cost service to the school. To continue to run these services we are very dependent on volunteers.

We also run a community building events throughout the year and support the teachers by volunteering in the classroom and at sporting/ cultural events (subject to Covid restrictions).

We have about 300 families attending our school, and we would be grateful if every family would nominate to do “just one thing”, or more if possible, throughout the year.

We try to stay in touch with all parents via a ‘P&C Class Rep’ and hope to run a class social event each year for parents to get to know each other, particularly for those that are new to the school community.

This year we are raising funds for a suitable workspace for our Support Services staff (Psychologist, Chaplin etc) and IT equipment to support the new Technology Teacher. Both initiatives will benefit the whole school.

On the next page is a list of “activities” that we would appreciate your assistance with. **Please tick just one box (or more if you wish)** and place your contact details at the bottom of the page. Please return them to us via email, your classroom teacher or the front office so that we can collate the responses, and when the time comes someone from the school or P&C will be in contact with you regarding your participation.

Thank you for your support!

Yours Sincerely

Nicky Stott, President – Bull Creek Parents and Citizens Association

P & C NEWS

Bull Creek Primary School P&C Container Deposit Fundraiser

10c per container is paid to the P&C for every eligible plastic bottle, aluminium can or carton.

Drop containers to the blue bin located in the bike locker compound which is open during school drop off (8.30am – 9am) and pick up (2.50pm – 3.10pm) weekdays – excluding school holidays.

Funds raised will be used towards school resources and programs run by the P&C.

FAQ's

- Why Scouts WA?
 - Scouts WA Recycling receive additional funding from the container deposit scheme to collect and sort containers. They also provide employment to long term unemployed, people with disabilities and as part of their youth development program, which means the school is supporting a range of broader community initiatives.
- Do I need to take the lids off?
 - Please take lids off – it ensures there is no liquid in the container, the containers can be baled and stored more easily by Scouts WA. Scouts WA can take lids off but this slows their sorting process. Please remove straws from juice boxes.
- Can the containers be crushed?
 - Yes, but it is preferable if they are not. All containers should be recognisable with labels intact to confirm they are eligible containers.
- Do the containers need to be clean?
 - Please ensure the containers are empty. It is preferable to rinse flavoured milk cartons due to the odour.

If bringing containers in a plastic bag, box, crate etc –take that container home with you, please do not leave it in the bike locker area.

Questions regarding the Bull Creek Primary School P&C container collection contact Janelle (parent) jbooth@hotmail.com.

For general enquiries about the Container Deposit Scheme contact Containers for Change WA www.containersforchange.com.au/wa/ or 13 42 42

Thank you for your support

COMMUNITY NEWS

WESTERN AUSTRALIA POLICE FORCE
CHILDREN'S CROSSINGS UNIT
STATE TRAFFIC COMMAND
2 CLAYTON STREET, MIDLAND
WESTERN AUSTRALIA 6056

TELEPHONE: (08) 6274 8731

Good morning,

Happy New Year too all. It is hard to believe that 2022 is upon us already and I'm sure you are aware we are about to face yet another challenging year in many aspects. One huge issue is going to be a lack of Traffic Wardens to operate our crossings, due to many retiring at the end of 2021.

Another [road block](#) is due to the ongoing issues with Covid-19, etc. We are taking this opportunity to ask for your understanding, patience and assistance when we are unable to have a Traffic Warden cover a crossing that effects your school.

Given the current circumstances with Covid-19, vaccinations and the demographics of our Traffic Wardens there has not been as much interest in becoming a Traffic Warden this year. This being the case, we are left with quite a few crossings being unattended.

We fully understand your frustration at not having a Traffic Warden at your children's crossing [and also](#) your concerns revolving around OSH issues as we have the same concerns. We have been advertising in all areas of the metropolitan area, but it is not proving to be as successful as we would like. Therefore, we are asking for your assistance.

If it is possible you may like to mention in your school newsletter regarding the urgent need for Traffic Wardens for your school. If any Parents/Grandparents are interested in becoming a Traffic [Warden](#) they can contact the Children's Crossings Unit direct on 6274 8731. An application pack can be sent to them. If they are successful in applying for the position and pass their training, they can be placed at your crossing, if it is one of our unmanned crossings only. It is also a paid position which does not affect a pension too much if employment is taken up. It would be highly recommended that any potential candidate on a pension contact Centrelink to have a chat. The current pay rate is around \$25.58 per hour - two hours per day/five days per week.

To become a Traffic Warden, we require the applicant have access to email, a full driver's license with access to a vehicle and be able to work the full 10 shifts per week - one hour in the morning and one hour in the afternoon. Any applicant signed up in this manner, who is a part of the school community, must reside within a 10km radius of their crossing/school. Once the application has been submitted, it will commence the application process which involves a background check through WA Police Force Personal Security Vetting Unit. If they are [supported](#) they will be sent a medical assessment to take to their doctor which will need to be paid for by the applicant and reimbursed by the Children's Crossings Unit - up to \$70.00. Once they have passed the medical [assessment](#) they will be invited to attend State Traffic Operations in Midland for a training day which will last for about 4 – 5 hours.

Our unit is endeavoring to hire more wardens [urgently, but](#) would be very appreciative of any assistance from the schools we serve.

On another note, if your school times have changed since last year, please contact us so we can adjust the operational times of the children's crossing.

Kind Regards

Janelle Child
Manager
Children's Crossings Unit
