

## BULL CREEK PRIMARY SCHOOL | NEWSLETTER #2 – 2023

# Principal’s Message

Dear Parents & Carers,

Thank you to all staff, students and families for surviving a very busy Term 1.

This year for the first time we had NAPLAN fall in Term 1 which means the school and families will receive results much earlier than previously.

We had an amazing day at the Year 4-6 Faction Swimming Carnival in Week 8. The weather, the competitive spirit, the cheering and the organisation were all perfect. Congratulations to KOOMAL on their wonderful win, to all the individual medallion winners and every student who competed. Thank you to the staff and parent helpers who helped ensure the carnival was a success. An extra-large thank you to Mrs McCarthy for her organisation.

We celebrated Harmony Week by dressing in our cultural dress or wearing orange. Traditionally, orange signifies social communication and meaningful conversations. We choose to wear orange on Harmony Day to show support for cultural diversity and inclusivity. There have been several activities completed in our classrooms to help us understand and celebrate Harmony Week. Thank you to the parents who volunteered to facilitate classroom talks sharing their cultural stories and background, this was well received by the students.

Our Banksia 5 Harmony Assembly was fabulous, and I particularly loved the eight different greetings in various languages. This was a great opportunity to highlight and celebrate the diversity in our school community. Harmony Week is a way of celebrating our differences whilst acknowledging that we are One. The Harmony Day message is **‘Everyone Belongs’**. It’s about inclusivity and respect which are two of our Bull Creek Values and the Harmony Day celebrations foster a sense of belonging and community participation. I would like to thank Mr Hofmeester for coordinating Harmony Week for our school.

Ms Phillips and I were lucky enough to take 28 of our student leaders to the GRIP Leadership conference. This was a fantastic day that provided the students with skills they can use in their daily lives as students and as future adults. Selected students will present their conference reflection and learning to the School Board next term.

I wish everyone a Happy Easter and hope you enjoy spending quality time with family and friends over the holiday period.

# Chaplain Chat

Hello All,

What a full term it has been!

As we head into the Easter break and holidays, take a moment to breathe and reflect on all the positive moments you have experienced. Then try to find a little time to refresh yourself even if you're still working, as it's important for your own wellbeing.

Here are a few simple ways to find some quality time with your children without spending a cent.

**Have your child read to you** – When you are feeling worn out, and they are still buzzing, ask your child to read you a story. This gives them an opportunity to talk and feel heard, while you rest and enjoy a snuggle.

**Talk to your children or play games in the car while traveling from one place to another.** Spotto – Red cars and buses, or orange cars, and trains is always a favourite in our car, and let them choose what the Spotto is, it could be birds or planes, the list is endless.

**Watch a short video or podcast with your child** about a topic they could be interested in like science, wildlife, or history. The fun of sitting around a phone or iPad will also encourage conversations that you can build on to include your worldviews and values.

**Include Your kids in day-to-day household jobs** If you need to pop to Bunnings for some fertiliser, or you may need some piping for a new drainpipe. Grab your child and use these menial tasks as teachable moments, get them to rake up the autumn leaves with you and talk about the seasons and what you like about each one. This is also an opportunity to have some one-on-one time as you drive to Bunnings or work in the garden together. Kids want your time more than they want a special activity.

**Practice gentle Discipline-** try and turn behaviour issues into opportunities for teachable moments about life and relationships and valuing each other. Try to take a step back, breathe and invest in your precious ones, that is quality parenting.

**Remember** -You are amazing, and you are doing the best you can with what you have. Your child loves you no matter what, they are the most forgiving and loving little people on earth and we can learn from them too.

Happy Easter,

Pauline Hough  
Chaplain

## School and Office Hours

The school office is open from 08:30am to 3:30pm.

Classroom doors open at 08:40am and the bell to start the school day is at 08:50am. Children must not arrive before 8:30am unless they are doing a leadership role or Thursday Fit Club.

Parents can use the services of Camp Australia to arrange before and after school care to accommodate for working hours.

## Medical Needs for Students

It is very important that families inform the school of any medical needs for students. This includes asthma, allergies, anaphylaxis and any other conditions that may affect the wellbeing and safety of a student during the school day. If your child has a current medical condition or develops one throughout the school year, please obtain the medical forms from the front office and return them with updated medication and a current ASCIA Action Plan from your doctor as required.

## Mobile Phones Policy

Between the hours of 8:30am-3:05pm mobile phones will not be used by students for any communication purposes. Smart watches must be placed into 'aeroplane mode' and mobile phones are to be handed in to the office, for safe keeping, when students arrive at school and collected at the end of the day.

## Parking

Some of the parking in front of the school is a pick up and drop off zone only (Kiss and Drive). For the safety of all of our children, please do not park and/or exit your vehicle in the marked out green parking area on Francisco Crescent. If you are early, please continue to move around the block in a clockwise direction until your child is ready at the Kiss and Drive collection point.

It is illegal and dangerous to double park anywhere along the school boundary roads.

When collecting from the classroom, please find a safe parking space around the school. Parking is also available on Darley Circle with laneway access onto the school grounds.

Parking is not permitted in the staff car parks at all times and for safety reasons, please do not walk through the staff car parks before, during or after school.

## Absentees

If your child is absent from school, please contact the school office on 6216 4400 or email [bullcreek.ps@education.wa.edu.au](mailto:bullcreek.ps@education.wa.edu.au) as early as possible to advise of the reason for absence.

## Late Arrival / Early Departures

Students arriving at school after 9am must be signed in at the office by a parent or guardian before entering their classroom.

Students leaving school early, must be signed out at the office before the student is collected from class.

## RAT Tests

The school still has a large supply of both oral and nasal RAT tests. Please come to the office and collect any amount you wish.

# Swimming Carnival

On Tuesday the 21<sup>ST</sup> of March the Faction Swimming Carnival was held at Riverton Lesiureplex.

The carnival was successful, with years 4 to 6 competing in numerous events including freestyle, breaststroke, backstroke and various novelty events. The team spirit and sportsmanship displayed, combined with the outstanding individual performances throughout the day was a pleasure to witness.

Congratulations to Koomal on winning with an impressive 174 points!

# Wattle 4

First term of Year Two has been very busy but exciting for the students in Wattle Four.

Through the spectacular books written by Indigenous Author Gregg Dreise, we have learnt about First Nations history and their many traditions. We believe it is important that everyone learns as much as they can about Australia's First People as they have lived here for many thousands of years. Gregg Dreise has inspired us all in Wattle Four to develop our language and literacy skills through his colourful and well written dreamtime stories. Our class read his books and then completed some learning activities. Each book had special messages we took away.

**Silly Birds** taught us to always choose our friends wisely because it's hard to soar like an eagle when you are surrounded by turkeys.

**Mad Magpie** reminded us that when we are feeling frustrated or bullied to stay calm like the water and powerful like the water's current.

**Kookoo Kookaburra** had a beautiful message that kindness is like a boomerang. – if you throw it often, it comes back often.

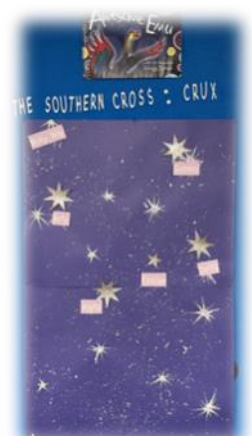

**Awesome Emu** reminds us that although we should be proud of our successes, we must also remember to be humble too.

**Cunning Crow** emphasised that all people are different shapes, sizes and colours and together we are like a beautiful rainbow.

Finally, during Harmony Week we realised it is our turn now – yours and ours – to look after this land. We need to work together to make this country an amazing place for everyone to live. This is a country we should all be proud of. The more we can learn about each other, the more we can understand each other and live in harmony.

Have a happy and safe holiday from all of us in Wattle Four.

Mrs Kalli-Anne Austin  
Wattle 4 Teacher

# Wattle 8 Superstars

As we come to the end of a fabulous Term 1 in Wattle 8, we would like to share some of our favourite things we have learnt so far.

"I can write sentences on the whiteboard.," Max.

"I like art. The fish painting is the best." Siwan.

"I know days of the week and calendar." Ayyad.

"I can do handstands," Cameron.

"I can read books," Sophie.

"I like to draw Easter Bunny pictures", Isla.

Reflecting on the Term we have been very busy. There have been so many new friendships made, lots of fun, laughter and we have become a Wattle 8 family. We can't wait to see what next term brings.

In Maths we have been looking at numbers, 2D shapes, patterns and things that are the same and different. Literacy has seen the children engaging in Sounds Write and Heggarty phonological awareness lessons.

We have read so many stories, but the stories about the Easter Bunny and his adventures have become our favourite. We used the character of the Easter Bunny to do some directed drawings to create some amazing artwork.

It was so much fun!!

We wish everyone a wonderful, happy, and safe holiday.

**Happy Easter!**

Ms Tracy Abbott  
Wattle 8 Teacher

# Wellness Week

What a fun way to finish off our first term!

There were bubbles in the air, happy music everywhere.

Fairies and butterflies what a surprise!

Silly socks were on display, encouraging high fives that made our day.

Stories about inclusivity, creating a vibe of positivity.

There was munching and crunching on fresh, delicious fruit, it was a real hoot! March Munch was celebrated with lots of Crunch! We would like to say a big thank you to Woolworths Bull Creek for their very kind and generous fruit donation, and for everyone who took part and contributed to our fun filled week.

Until next time,  
Your Be You Wellbeing Committee
