

BULL CREEK PRIMARY SCHOOL | NEWSLETTER #6 – 2023

Principal’s Message

Dear Parents / Caregivers,

This certainly has been the busiest term I have ever experienced. The school has participated in multiple sporting events, choir events, the Nova Book Week Parade, Laternenlauf, Library art mural, RU OK Day and finally ending the term with swimming lessons. This term we have had increased sickness among students and staff and several staff on leave.

I would like to thank the students for continuing to work hard despite the many activities scheduled this term. I would like to express gratitude to the staff who have navigated the busiest term and continued to teach the students with professionalism and excellence. I wish everyone a well-deserved rest and holiday.

This term we were lucky enough to use our new faction tents which were funded by the P&C. I received lots of student, staff, and parent feedback at the carnival of how wonderful the new tents look from a distance and up close. The school staff and students thank the P&C for their generous support to the school.

NAPLAN

- NAPLAN Online has changed significantly from its previous iterations and 2023 should be viewed as a fresh starting point.
- The previous band system has changed to 4 proficiency standards – Exceeding, Strong, Developing and Needs Additional Support. This system is not directly comparable to previous years band system.
- The timing of NAPLAN Online has also changed from the beginning of term 2 to the second half of term 1, meaning the test is also normed at a different time. This is important to note as it reflects a different developmental period of the year than any previous test.
- Schools will receive their data earlier than previous years enabling our data analysis to have greater impact upon improvement timelines.
- No NAPLAN-to-NAPLAN progress or previous proficiency levels will not be reported until 2025.
- NAPLAN testing domains remain the same – Numeracy, Reading, Writing, Spelling and Grammar and Punctuation.

NAPLAN Multi-Adaptive Testing method

Students at each year level start with the same set of questions (testlet A). Each student's answers in testlet A will determine the questions they see in the second testlet. These may be less complex (B) or more complex (D).

The student's answers in the second testlet will determine the difficulty of questions in the final testlet: highest complexity (F), average complexity (E), lowest complexity (C). Students who receive a low score for testlet A move directly to testlet C and then complete testlet B.

NAPLAN results for each student are based on both the number and difficulty of the questions the student answered correctly. A student who completes a more complex set of questions is more likely to achieve a higher score, while a student who answers the same number of questions correctly, but follows a less complex pathway, will achieve a lower score.

Summary Takeaways:

Celebrations

Our Year 3 Results are commendable and recently we received a phone call from the Department of Education focusing on how exceptional our Year 3 Reading results were. They wanted to know the logistics of how we teach Reading at Bull Creek Primary as they wanted to share our strategies with other schools.

Bull Creek Primary scored above like schools in the following test domains

- Year 3 Numeracy
- Year 3 Reading
- Year 3 Writing
- Year 3 Spelling
- Year 3 Grammar and Punctuation.
- Year 5 Numeracy
- Year 5 Writing
- Year 5 Grammar and Punctuation

Congratulations to all Year 3 and 5 students for your efforts on NAPLAN this year.

Next term Edu-Dance sessions will start in week 1 on Friday in preparation for Celebration Night. This year the Kindergarten students will do their performance at an assembly.

Parents please be reminded about student attendance at school is compulsory. Students are to attend everyday unless they are unwell. Families are required to book vacations during holiday periods not during the school term.

EVERY day
counts
attendance matters

I would like to wish all our school community a safe and happy holiday.

Kind regards
Sharon Marchenko
Principal

Student Achievement

Alyssa Gallagher competed in the State Swimming Championships in September, achieving 11 PB's & bringing home 4xGold, 2xSilver & 2xBronze medals.

Her performance in the pool gained her top achiever of the meet, which is an amazing feat.

Congratulations on your achievements, Alyssa. You are a super star!

Chaplain Chat

What an action-packed term it has been, so much learning and a lot of fun times along the way. This term we started lunch time games and puzzles in the library for students wanting to engage. This has become a popular lunchtime option and we hope to introduce some new activities to enjoy in term 4.

Culture Club continues and planning for our term 4 Multicultural week 13 -17 November is in full swing. If you can cook a plate of food, sing a song, do a jig, bring in a story or poem from your culture, or a craft activity, we would love to hear from you!

As we head into the Spring holidays, we take some time to breathe, rest and reflect on the year so far. Perhaps you could discuss with your children the highlights and struggles that you have experienced and express your thankfulness for family and friends during these times.

We are so blessed to live in such a beautiful city. Whether you take time off in the holidays or you are working, try to do something with your precious ones a little bit different, even if it's just on the weekends.

Here are some ideas:-

[Kids In Perth's 2023 Spring / September-October School Holiday Guide - Kids In Perth.](#)

FREE OPTIONS <https://schoolholidayactivities.com.au/free-school-holiday-activities-perth/>

Butterflies, Birds and Bridges Trail – I'll be checking this one out.

Only a 20-minute drive from Perth, the Butterflies, Birds and Bridges Trail is one of the most scenic trails in Canning Regional Park. One of the best free activities in Perth, you'll walk through sedge meadows, mature woodlands, creeks and amongst the crowns of a paperbark forest. This lengthy but easy trail is the perfect weekend day trip from Perth, and with water access points and a cafe, it's a trail that you don't have to be too prepared for.

Remember the gift of quality time outweighs spending lots of \$\$ with your children, have a safe and fun two weeks ahead.

Blessings,

Pauline Hough
Chaplain

School News

School and Office Hours

The school office is open from 08:30am to 3:30pm.

Classroom doors open at 08:40am and the bell to start the school day is at 08:50am. Children must not arrive before 8:30am unless they are doing a leadership role or Thursday Fit Club.

Parents can use the services of Camp Australia to arrange before and after school care to accommodate for working hours.

Sickness

The WA Health Department advises that, "it is necessary for children to remain at home in the early stages of illness and should remain absent until they are symptom free if they have a cough or cold; and for at least 24 hours from the last episode of vomiting or diarrhoea." To minimize the spread of viruses and to keep our Bull Creek Primary School community healthy, we would appreciate all families diligence in ensuring your children do not come to school if they are unwell.

Medical Needs for Students

It is very important that families inform the school of any medical needs for students. This includes asthma, allergies, anaphylaxis and any other conditions that may affect the wellbeing and safety of a student during the school day. If your child has a current medical condition or develops one throughout the school year, please obtain the medical forms from the front office and return them with updated medication and a current ASCIA Action Plan from your doctor as required.

Mobile Phones Policy

Between the hours of 8:30am-3:05pm mobile phones will not be used by students for any communication purposes. Smart watches must be placed into, and remain in 'airplane mode' and mobile phones are to be handed in to the office, for safe keeping, when students arrive at school and collected at the end of the day.

Parking

Some of the parking in front of the school is a pick up and drop off zone only (Kiss and Drive). For the safety of all of our children, please do not park and/or exit your vehicle in the marked out green parking area on Francisco Crescent. If you are early, please continue to move around the block in a clockwise direction until your child is ready at the Kiss and Drive collection point.

It is illegal and dangerous to double park anywhere along the school boundary roads.

When collecting from the classroom, please find a safe parking space around the school. Parking is also available on Darley Circle with laneway access onto the school grounds.

Parking is not permitted in the staff car parks at all times and for safety reasons, please do not walk through the staff car parks before, during or after school.

Bicycle / Scooter Use

All riders must wear protective helmets. Students and Parents are required to dismount and walk bikes/scooters when on the school grounds.

Absentees

If your child is absent from school, please contact the school office on 6216 4400 or email bullcreek.ps@education.wa.edu.au as early as possible to advise of the reason for absence.

Late Arrival / Early Departures

Students arriving at school after 9am must be signed in at the office by a parent or guardian before entering their classroom.

Students leaving school early, must be signed out at the office before the student is collected from class.

RAT Tests

The school still has a large supply of both oral and nasal RAT tests. Please come to the office and collect any amount you wish.

Faction Athletics Carnival

The Bull Creek Athletics Carnival was held over the 5th and 7th of September. The day was filled with excitement, excellent sportsmanship and all students showing great character throughout. Yongka took out the carnival for 2023 with 823 points. It was fantastic to see so many parents and other family members down supporting the children over the week.

The results for Year 3 to 6 champion, runner-up and faction points are shown below.

Year	Champion Boy	Runner-Up Boy	Champion Girl	Runner-Up Girl
3	Oscar	Jamie	Amara	Amelie
4	Evan	Arlo	Lara	Eena
5	Jake	Wesley	Riya	Alyssa
6	Matthan	=Lachlan =Alfie	Mia	Ava

1 st	2 nd	3 rd	4 th
Yongka	Djidi Djidi	Koomal	Quenda
823	710	681	669

Lastly, thank you to the P&C for their support in organising the coffee van and the brand new faction tents for the carnival. Hope to see many of you again for our Interschool Carnival on the 17th and 19th of October.

Wattle 2

Term three is a notoriously busy term across the school, and this year has certainly been no exception. The students of Wattle Two were lucky enough to join Wattle One in attending the "One Big Voice" concert, held at RAC Arena. This was a great opportunity for our stars of the stage to showcase their amazing vocal talents. Book Week also proved to be a blast for the students, as they were able to dress up as their current favourite book characters. Cross Country and Athletics Carnivals respectively, provided a platform for the wonderful students of Wattle Two to parade their skills, and exhibit sportsmanship as they cheered on their factions. Add in the likes of the Lantern Walk, Scitech excursion, and Swimming Lessons, and the students have certainly been spoilt with many fun activities outside of the classroom. Within the classroom, we have been focusing on mastering our multiplication facts, exploring and writing information reports, investigating Australia's neighbouring countries, and appreciating the exquisite works of Roald Dahl, as we have read our new favourite novel, Charlie and The Chocolate Factory.

Here is what some of the Wattle Two students have had to say about term three!

Branden - I like this term because we got to do loads of things on our iPads like SeeSaw, and doing all these information reports and all the times tables and also reading groups. I've loved this term!

Aaditya- This term we have been learning about neighbouring countries of Australia, states of Australia and Capital Cities of Australia. We also have learned about informative texts. I've really enjoyed writing and getting information which is fun.

Isla- This term we have been learning about states, territories and Australia. We have also been learning about information texts which gives information. I really like learning about states and territories.

Yenuli—In Wattle Two term three, we made some fun front covers based on our book week costume. Another thing we did is read Charlie and the Chocolate Factory and watch the two Charlie and the Chocolate Factory movies. We also did information writing about a chosen animal of our choice. I loved the fun and new maths games we did as well.

Miss Sarah Tloczek
Wattle 2 Teacher

Wattle 4

Wow Now that's what we call a jam-packed term full of physical activity and celebrating special events. There was Cross Country, Book Week, National Science Week, Athletics Carnival, Laternenlauf Walk, R U OK Day and finally two weeks of Swimming Lessons.

As part of our writing program, we have been learning how to carefully construct a good Persuasive Text. We practiced on our dads for Father's Day by telling everyone why we have the best dads in the world. We also read the book Hey, Little Ant by Phillip and Hannah Hoose. The boy in the story spots an ant at school on the pavement and wants to squish it. We, as the readers, are left to decide for ourselves on the last page if the ant should get squished or go free. We came up with lots of great reasons for both, but you will be happy to know that many of us chose to set the ant free.

Our novel study this term has been Charlotte's Web by E B White (one of Mrs Austin's favourites). We all loved this story and learnt that "Friendship is one of the most satisfying things in the world." And on the subject of friendship, Wattle 4 has been very excited meeting up and forming strong relationships with our buddy class, the Pre-Primary's in Wattle 7. We crunched loudly together during The Great Vege Crunch and then met again on R U OK Day. We coloured and chatted before tying a yellow ribbon on the fence together.

Happy two weeks holiday everyone. Make sure you recharge those batteries ready for another busy but fun term.

Mrs Kalli-Anne Austin
Wattle 4 Teacher

Wattle 8

Wow! Term 3 has been fantastic and incredibly eventful. We have had an amazing journey of learning and our Wattle 8 students have truly shone brightly. The Term kicked off with smiles all round as we posed for our school photos. It was an extra special moment for our Kindergarten students as they had their very first school photo.

In week 4, our Pre-Primary students celebrated a milestone of 100 days at school. Together with their Wattle 7 friends, the children engaged in some exciting and fun activities to mark the occasion and show just how much smarter they have become in 100 days.

"I felt happy on 100 days because I was 100 days smarter, and I got to use glitter" Isla.

"I liked it when we decorated our 100 day crown because we got to use glitter and I got to design my own". Siwan.

Week 5 allowed us to celebrate Science Week. Thank you to Mr T for providing us with some hands on and wonderful play-based science experiment kits.

The Term just kept getting better as we celebrated Book Week. The children enjoyed the dress ups, fun and celebrations. "I was Spiderman and I liked the parade". Lucas. Then came Father's Day and the children made dad a card and a little present. They also drew a picture of their Dad which was painted with love.

The Pre-primary children then got to compete in their very first school Athletics Carnival.

"I liked it when I got a sticker" Sophie.

"I liked the running race" Ayaad.

"My favourite was the sack race" Max.

Finally, as we reach the end of Term it is swimming lessons time.

"I love the water park" Amelia.

"I like freestyle" Ryan

"I like the sculling" Cameron.

Term 3 has been filled with growth, achievements and plenty of fun and laughs along the way. Happy holidays everyone!!

Mrs Tracy Abbott
Wattle 8 Teacher

Sheoak 4

Term Three has been very busy in Sheoak Four. We have had so many special events happening and all of the students have shown maturity and perseverance over the last ten weeks.

Big congratulations to all of our students for participating in the Cross Country and giving their very best. Special mention goes to the students who were selected and represented Bull Creek Primary School in the Interschool Cross Country Competition.

We also had Book Week with a very special visit from Nova, Massed Choir, Laternenlauf and our Athletics Carnival. We are now finishing off the term with swimming lessons. I am sure all the students are looking forward to a well-earned rest over the school holidays.

The children have put in a great team effort during a very hectic Term Three. All of the students in Sheoak Four have been working cooperatively and encouraging each other to try their best and work as a team. Some of their highlights have been;

"I love playing Dodgeball with my class" – Anthony

"I really enjoy Digital Tech and Makers Empire" - Michael

"Yongka winning the Faction Carnival and having a new student in our class" - Jewel

"I enjoyed the updates on Mathletics" - Anika

"My highlight has been learning new songs for cello" - Tori

I am so proud of all of the students in Sheoak Four and their phenomenal achievements this term.

Ms Nicole O'Neil
Sheoak 4 Teacher

Facebook: www.facebook.com/BullCreekPrimarySchoolPC

WE NEED YOU!!

Do you want to meet more people at school? Do you want to have a say with what happens around our school? Are you missing just that one little thing in your life?! If you answered YES....PLEASE JOIN US! We are an 'aging' committee and have a few members who will not be returning next year. It would be wonderful to be able to

pass the baton on to some new parents at school. Please consider dialing in to our next P&C meeting, which will be held in week 3 of term 4. Or send an email to bcpspandc@outlook.com for more information. Many hands make light work!

COLOUR EXPLOSION FUN RUN – Friday October 20

Fundraising for our Colour Explosion School Fun Run is entirely online. At the end of our fundraiser, Students can order up to a total of 5 prizes based on their donations received. They can even mix and match! You only need to raise a minimum of \$10 to receive an incentive prize. From there, the more you raise the larger prizes you can choose from!

\$10,000 JB Hi-Fi Shopping Spree!

What would your family buy with a \$10,000 JB Hi-Fi Shopping Spree?! The highest fundraising student in our school will go into the draw to win!

Win a PlayStation 5 Gaming Bundle!

Do you have a need for speed? The highest fundraising student in Australia will take home an awesome PlayStation 5 gaming bundle, complete with a NEW PlayStation 5 Console, a Steering Wheel, Pedals and two games!

You have to be in it to win it! If you haven't already, make sure you start fundraising online at www.australianfundraising.com.au. Thank you!!

FATHERING PROJECT

The fathering project is continuing to hold events, thanks to the organisation of Martin Lau and his mates! Recently kids and their dads/father figures met to ride around Bibra Lake on September 10th. Everyone had a great time!

OTHER UPCOMING EVENTS

Fathering project camp out - Saturday Nov 11th

BOOK WEEK BOOKS & CAKES

Book week celebrations were a little different this week and WOW was it a fabulous way to end the week! With Nova's Nathan, Nat and Shaun visiting Bull Creek Primary, we decided to hold a cake stall in addition to our second-hand book sale. We raised another \$948 for our school.

Well done to Janelle and Helen and their respective teams of helpers at each of the stalls.

UNIFORM SHOP

We've had new school shorts approved by the school board. Old school shorts will be sold at a reduced price from the beginning of term 4. Prices will be updated on Spriggy.

Please remember to order online at www.spriggyschools.com.au to have your order delivered to your child's classroom. Any uniform enquiries should be emailed to bcpspancuniform@gmail.com

If you've outgrown any uniforms, please return them to the uniform shop or front office, they will be on-sold to raise money for the P&C. Old logo items will be turned into Book Club Boomerang bags.

BOOK CLUB

Scholastic Book Club Brochures are distributed twice per term. A proportion of sales is returned to the school as book club credits and rewards which are awarded to classrooms, individuals and the library.

To purchase from Book Club register on LOOP, www.scholastic.com.au/LOOP. If you need help please contact us, or Scholastic directly.

Your books are delivered in 'Boomerang Bags' which are made from obsolete school uniforms. Please return them to the office so they can continue to be used. If you have any old logo school uniforms, please donate them back to the school

for us to make more bags. Like all gift vouchers, ours have an expiry date so don't forget to use your gift voucher before it expires!

CANTEEN

- Lunches must be pre-ordered - preferably using www.spriggyschools.com.au (app or website), otherwise cash orders before 9am at the canteen window.
- Morning tea can be pre-ordered or cash transactions (excluding Pre-Primary & Kindy children).
- Extra snacks, drinks and icy poles can be purchased with cash at lunch time.

Thanks to Gilbert's for their ongoing support of our school. Don't forget to get yourself a Gilbert's card and shop locally for quality fresh produce, 1% of every spend you make comes back to our school!

Dad and Kids Event: Bibra Lake Cycling (10th September 2023)

The weather this morning looked like it was going to be a spoiler. A light drizzle and a determination saw a group of Bull Creek dads and kids cycle the 6.5 km trek to Bibra Lake, where a couple of other families joined us at the skate park. We had lunch and the kids enjoyed the local playground. We then made a loop around Bibra Lake and stopped at a bird-watching facility to observe wetland wildlife. It was good to see families being active and connecting to promote a healthy mind and lifestyle, thereby reducing the risk of diabetes.

MANAGING ALLERGIES AT HIGH SCHOOL

Is your child heading to high school next year or in middle school?

At this age kids are becoming more independent and taking more responsibility for managing their own allergies.

Our first workshop for high school kids works to empower them to manage their allergies, develop independence and advocate for themselves at school, with friends and in the community. It is a great way to meet other kids with allergies.

We will work in groups and develop comics while discussing;

- carrying medication
- self advocacy
- assertiveness
- meeting new people
- coping with fears, worries and anxiety
- transition to high school

This is a free event with thanks to Channel 7 Telethon Trust.

YouthCARE ART COMPETITION 2023

for primary schools

YouthCARE is hosting an art competition for primary school students in years 1 to 6. The winner will be featured in our Annual Report for 2023 and win a \$200 voucher!

Runners-up will receive a \$100 and \$50 voucher.

The top 12 finalists will be displayed at the YouthCARE art exhibition where the winner will be announced.

The theme for the competition is **FRIENDSHIP**. What does this look like for you and how does this transfer into your art?

Entries close 31st October 2023. **GOOD LUCK!!!**
