Dear Parents

2024 SCHOOL CHARGES AND CONTRIBUTIONS

Financial support by parents has always played a significant role in providing resources that extend the school's capacity to add value to the learning experiences of students.

The Bull Creek Primary School Board has approved the schedule of Contributions and Charges for 2024. The schedule is broken into three sections and will allow you to calculate all costs that may be incurred throughout the school year.

Charges and Voluntary Contributions 2024 estimated costs are set at an upper limit and will not exceed this amount.

1. Contributions

The total amount of contributions parents/caregivers are being asked to pay has been set at \$60.00 per student which is in line with the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments.

The contribution per child (\$60.00) equates to \$1.50 per week over the course of the year.

Three payment options are offered to assist parents making their contribution.

Option 1 A single contribution of \$60.00 (this can be paid at the school office if you have not paid through Campion Education personal items order form).

Option 2 Four equal contributions, each of \$15.00 made in the first week of each term.

Option 3 Two payments, each of \$30.00 made in the first week of each semester.

All contributions are used for the direct benefit of the children. Our aim is to raise our community's contribution rate to at least 80% for the benefit of all our children.

2. Charges For Extra Cost Optional Components

A breakdown of estimated charges for your child's participation in excursions, incursions and activities for 2024 has been included in the attached schedule. Details on charges collected in previous years has helped guide the 2024 estimate of charges.

Participation in extra activities is optional and the total amount charged for the entire year will not exceed the totals listed in the schedule. If a particular event listed does not occur, or you decide that your child will not participate, then no charge for that event will apply and unused money will be refunded at the end of the year.

The schedule includes costs associated with:

- Specific learning activities available to **all** students, but conditional on a payment being made e.g. incursions, excursions.
- Specific learning activities available to **selected** students, but conditional on a payment being made e.g. PEAC, SIM Instrument Hire).
- Other activities available to all students, but conditional on a payment being made e.g. Year 6 Graduation and End of Year Excursions activities and Music Concerts.

3. **Other Voluntary Approved Requests**

The Bull Creek Primary School P&C Association voluntary approved request will be \$30.

Thank you for your support and contribution to our school.

Yours sincerely

Sharon Marchenko
